

# International Journal of Basic and Applied Biology

---

Website: <http://www.krishisanskriti.org/Journals1.html>

## **Aims and Scope:**

International Journal of Basic and Applied Biology (IJBAB) (ISSN-----) is a quarterly international open access journal of the Krishi Sanskriti, a non-governmental organization (NGO) registered under society registration act 1860 which is engaged in academic and economic development of the society with special emphasis on integrating industry and academia. The journal IJBAB is devoted to publication of original research on various aspects of basic and applied biology including the scientific leads in the formative stage which has a promise for a pragmatic application. The scopes of the journal include, but are not limited to, the following fields: botany, zoology, cell biology, ecology, microbiology, genetics, physiology, hydrobiology, neurobiology, developmental biology, biochemistry, molecular biology, cancer biology, stem cell research, health sciences and so on. Publication is open to all researchers from all over the world. Manuscripts to be submitted to the Journal must represent original research reports and has not been submitted elsewhere prior to or after submission to this journal for publication. All the manuscripts submitted for consideration in IJBAB is subject to peer-review for taking up final decision on acceptance for publication, and decision of the editorial team will be final.

All papers will be reviewed by at least two referees who are peers in their field of research and by an Editor of the journal or as appointed by the Editor-in-Chief to be responsible for editing the manuscript.

The authors agree to automatically transfer the copyright to the publisher (Krishi Sanskriti Publications), if and when the manuscript is accepted for publication.
