

5th International Conference
on
Science and Arts of Holistic Health: Issues, challenges,
opportunities, prevention, awareness
(Holistic Health: 2017)

Organized by
“Dr. Govind Chandra Mishra Educational Foundation”

on
26th August, 2017

Venue:
Jawaharlal Nehru University,
New Delhi, India

CALL FOR PAPERS AND CONFERENCE THEMES:

The organizing committee invites academicians, researchers, PhD scholars, UG and PG Students and practitioners from all over the world to submit abstracts/full papers for oral/poster presentation to this conference. This conference is a premier forum for presenting of new research findings. This conference brings together avid researchers from all over the world. All contribution should be of high quality, Original and not published elsewhere or submitted for publication. During the review period, papers will be reviewed by eminent scholars in the respective areas. All Selected papers will be published as chapters in edited book/conference proceeding having ISBN and few high-end papers will be published in international Journal having ISSN which will be issued to authors after publication on the day of conference. Topics of interest for submission include, but not limited to following themes and subthemes:

Track 1:

Theme 1: Innovation in Medicine and Healthcare

- Smart medical devices & systems
- Innovation in Regenerative Medicine
- Gene Therapy
- Health Sensors
- Medical Diagnostics and Biomarkers
- Service Delivery
- Technology Enabled Healthcare Services
- Advanced Medical Materials Technology
- Telehealth
- Regulatory frameworks for new technology

Theme 2: Health Science

- Evidence Based Practice Resources
- Healthcare Quality
- Family Medicine
- Forensic Science
- Multimedia Resources
- Pharmacology
- Rehabilitation Therapy
- Resources for Health Sciences Research
- Natural, Environmental and Health Sciences

Theme 3: Interdisciplinary Health Sciences

- Health technologies
- Nutraceuticals and supplements for health
- Genome sciences, chronic disease prevention
- Personalized medicine
- The business of unwellness and the negative health industries
- Immunobiological research
- Epigenetics research
- Ancestry and health, traits, and diseases

Track 2:

Theme 1: Public Health Policies and Practices

- Acquired infections and health workers
- Environmental threats to health and wellness
- The food industry and government (FDA) food policy
- Immunization programs and serum banking
- Global availability of vaccines and the supply chain management
- The economics of health and wellness in society
- Poverty, health and wellness
- Infant and child health
- Social determinations of health and wellness
- Urbanization in developing countries: environmental health impacts
- WHO policies on world nutrition
- Child food insecurity

Theme 2: Epidemiology & Infectious Diseases

- Environment Epidemiology
- Disaster management & preventive medicine
- Epidemiology of aging
- General epidemiology and methodology
- Bacterial/fungal infections & preventions
- Case studies in clinical microbiology
- Public health and community-acquired infections
- Emerging infectious diseases

Theme 3: Health in Mega-cities

- Addressing the climate-energy-health nexus in megacities:

Innovations from the health sector and beyond

- 'Big Data' in Big Cities: Harnessing information for improving urban health governance and reducing health inequities in mega cities
- Addressing the challenges of migration and health in megacities: opportunities for research and innovation
- Life Innovation and Health Care for Better Quality of Life (QOL) in Megacities
- The built environment in megacities: a new space for innovation, research and design for health
- "Health in All Policies": enhancing health governance in megacities

Theme 4: Finances and Health

- Micro-Insurance
- Public health spending
- Health insurances
- Microcredits and health

Track 3:

• Theme 1: Women and Occupational Health

- Physical activity in women & health problems
- Alcohol use and alcohol problems in women
- Eating disorders in women: current issues and debates
- Behavioral changes in women during menopause
- Psychology of women during pregnancy
- Public health
- Pediatric healthcare
- Cancer and cardiac healthcare

Theme 2: Occupational Disease and Human Health

- Skin healthcare
- Healthcare professionals, Management, system & law
- Dental healthcare
- Environmental contamination and health concerns
- Biomarkers for human health
- Efficacy and safety of drug use
- Urban health vs. rural health
- Biosafety: Environment, health and safety

Theme 3: Occupational Medicine and Occupational Therapy

- Physical and Biological stressors
- Workplace amenities and first aid
- Safe work method statements
- Health and medical management
- Industrial hygiene
- Health and psychology
- Safety protection

Theme 4: Agricultural & Environmental Safety

- Plant virus epidemiology, ecology and evolution
- Wheat and rice viruses
- Vegetable viruses

- Tobacco virus
- Virus resistant plants and disease control
- Viral mediated plant transformations
- Pesticide exposures & Pollution control
- Agricultural works & health

Track 4:

Theme 1: Health Promotion and Education

- Promotion of health and well being
- Health literacy
- School physical education curriculum and its effects on health
- Wellness coaching and fitness for improved health
- Health education for non-literate populations
- Web-based health education
- Health and wellness in the workplace
- Health, life expectancy and the cost of living longer
- Quality of life, spirituality and wellness
- The food linkage to unwellness
- Obesity in affluent societies & associated diseases
- Child feeding practices and their effects on health
- Decentralisation of health services

Theme 2: Nursing Education

- Aging and Geriatric Nursing
- Cardiac Nursing
- Clinical Nurse Specialists
- Holistic Nursing
- Home Health Nursing
- Innovations in Patient Care
- Mental Health / Psychiatric Nursing
- Nursing Ethics
- Nursing for the Disabled / Handicapped
- Nursing Management
- Obstetrical / Gynecological / Midwife Nursing
- Pediatric / Neonatal / Endocrinology Nursing

Theme 3: Chronic Health, Industrial Food Safety and Management

- Temporomandibular problem
- Rheumatoid arthritis
- Spinal stenosis
- Food safety- Standards & regulations
- Food quality control and safety measures- Consumer labeling
- Risk assessment and management
- Food toxicology and microbiology-Spoilage prevention and control
- Novel methods for the evaluation of food adulteration and authenticity
- Environmental Pollution

Track 5:

Theme 1: Nano medicine & Safety Issues of Nanotechnology

- Nano informatics
- Immunotoxicity and immunogenicity of Nano drugs
- Risks of nanotechnology
- Regulation of nanotechnology in health and safety issues
- Ethical and social issues
- Nano biotechnology and Health Sciences

Theme 2: Biotechnology in Health Care

- Clinical trial and clinical data management
- Vaccine, diagnostic and healthcare products
- Novel drug development and drug delivery system
- Biomedical and imaging
- Pharmaco vigilance and pharma regulatory affairs

Theme 3: Integration of Health and Technology for Human Well-Being and Ecosystem

- Biomedicine
- Forensics
- Medical Radiation
- Nutrition
- Dietetic

Track 6:

Theme 1: Health Informatics

- Biostatistics and Bioinformatics
- Communication Systems in Healthcare
- Data Mining and Security for Healthcare
- e-Health Information Guidelines and Protocols
- e-learning and Education in Healthcare
- Healthcare Information Systems
- Health Economics and Management Issues
- Quality Assurance in Healthcare
- Knowledge Management in Healthcare
- Medical Devices and Sensors
- Medical Image Processing and Techniques
- Ontological Engineering in Medicine
- Physiological Informatics
- Telemedicine Software, Portals, Devices and Technology
- Therapeutic Systems and Technology
- Wearable Health Informatics

Theme 2: Health and Wellness in the Age of Big Data

- The psychology of wellness
- Health promoting behaviors
- Health risk appraisals, screenings, and interventions
- The measurement of wellness
- Health and wellness with disabilities
- Disability support services and independent living
- Health related fitness programs

Track 7:

Theme 1: Rural Health and Health Setups

- Awareness
- Hospital facilities

Theme 2: Biomarkers of Diseases

- Chronic disease
- Autoimmune diseases
- Aging

Theme 3: Ancient /Traditional Health Practices

- History of medicine
- Vedas and health
- Alternative Medicine
- Naturopathy

Theme 4: Preventive Health Measures

- Yoga and Exercise
- Meditation
- Sports Fitness
- Environmental Ethics

Theme 5: Health Support Systems

- Hospital Administration
- Medical tourism
- Health insurance and health policies
- Laws pertaining to public health and well being
- Stem cell and its use
- Sperm Bank
- Placenta bank
- Blood bank
- IVF
- Surrogacy & Reproductive Health
- Artificial Blood
- Health counseling
- Hospital and diagnostic lab waste management.
- Medical Journalism

Theme 6: Medical Instrumentations and Diagnostic Practices

- NMR
- Ultrasound
- New instruments and diagnostics

Theme 7: Medicines or Medical Practices

- Nuclear medicine
- Medicinal plants
- Generic medicines

Theme 8: Health in History

- Perceptions of the female body
- Social attitudes towards diseases
- Health and identity: case studies of the transgender community

Abstract Submission:

Abstracts not exceeding 250-300 words on any of the aforesaid themes should be sent to the Organizing Secretary through email at info.healthconference@gmail.com on or before **19th August, 2017.**

Submission of Full Length Research Paper

Full length research paper, maximum in 6 pages and copyright form should be submitted together as separate attachment latest by **21st August, 2017** through email at - info.healthconference@gmail.com

Submission of Registration form:

Submission of Registration fees latest by **23rd August, 2017.** Registration process can be initiated after receiving acceptance letter of full paper.

Accommodation

Free one day Accommodation will be available to the limited no. of out station non N.C.R. Delegates at JNU guest house and nearby other guest houses/hotels around conference venue.

To and fro transportation facility from guest house to the conference Venue will be provided by the organizer.

Mandatory steps to be followed:-

1. In case of multi authored research paper, at least one Registration is mandatory.
2. In case other author/co-author wish to physically attend the conference they need to pay full Registration fees individually, separate publication copy & Certificate along with the conference kit will be issued to them. Co- Authors are requested to fill & submit separate Registration forms in case they are physically attending the conference.
3. Charges for extra copy of publication of research article as chapter/Journal & Certificate for other Co-author (if required) should be paid along with preliminary Registration by the corresponding author.
4. As all the papers will be available online after 20 to 30 days of conference date over.

Registration

The participants are requested to register by sending the duly filled Registration form through e-mail along with their research paper and registration fees (**through RTGS/ Wired Transfer or Online Transfer**)

Bank Details mentioned below for **RTGS/ Wired Transfer or Online Transfer:**

Beneficiary Name : Dr. Govind Chandra Mishra
Educational Foundation
Bank Name : Canara Bank
Bank Address : Jit Singh Marg, New Delhi
Account No. : 1484101037210
Account Type : Saving
IFSC Code : CNRB0001484
Swift Code- : CNRBINBBID

Registration Charges:

	Indian Delegates	SAARC/ African Country Delegates	Rest of the countries
Categories			
Academic faculty/Industrial Delegates	4000 INR	125 USD	250 USD
Research Scholars(Ph.D) / NGO Representative	3500 INR	100 USD	200 USD
Students(UG and PG)	2500 INR	75USD	150 USD
Printing of Additional Pages as chapter in edited book/proceeding /in Journals	300 INR	15 USD	20 USD
Listener / Accompanying Member (only Indian Delegates)	1500 INR	**	**
Print copy of research article as chapter in edited book/proceeding/Journal & Certificate (additional copy) for Co-Authors (if required in absentia)	700 INR	20 USD	30 USD
Only Print copy of research article as chapter in edited book/proceeding /Journal (additional copy) for Co-Authors (if required in absentia)	500 INR	15 USD	25 USD
Only Certificates (Co-Authors in absentia)	300 INR	10 USD	20 USD
