Appendices
Appendix - I
Household Schedule

Family details :

Name of the Family Head :

Community :

Address :

Years of living in the village :

1. Family Particulars

Name	Relationship	Sex	Married	Age	Education	Work	Earners / Dep.

2. Land Details

A) Land

Types of Land	Ancestral/Own Purchase	Year of Purchase /Sold	Own Land	Leased in Land	Leased -out land	Land Value
Wet Land						
Dry Land						
Garden Land						
Land without Patta						
Govt. Distributed Land						
Total						

Has the land value increased during the past 10 years? If yes, number of times and reason.

B) Buildings

Details	No.	Value	Year of Purchase/ Reconstructed	Received Assistance from Govt	Type of house		
					Thatche	Tiles	Concrete
Living House							
Farm house / Pump shed							
Cattle shed							
Others							

C) Livestock Possession

Details	Numbers	Value	Purchased from Govt. Assistance-details	Annual Income
Cow				
Buffalo				
Ox				
Goat / Sheep				
Pigs				
Other Livestock				
Total				

Has the livestock population increased or decreased during the Past 10 years? If yes, give details.

D) Other Instruments

Details	Numbers	Year of Purchase	Value	Year of Using	Purchase/repared from Govt. scheme
Tractor/Power Tiller					

Bullock Cart					
Tyre Cart					
Country Plough					
Oil Engine					
Electric Motor					
Bore Well					
Power Sprayer					
Total					

E) Own Trees

Trees	Numbers	Value	Annual Income	Received govt. Patta for Trees
Mango				
Jack				
Tamarind				
Bamboo				
Coconut				
Teak				
Others				
Total				

F) Household Goods

Materials	Numbers	Value	Year of purchase	Direct/Indirect benefits obtained from Govt.-Details
Chair				
Table				
Cot (Rope / Wooden / Steel)				
Bench				

Almirah (Wooden / Steel)				
Other Furniture				
Oven (Gas / Bio-Gas / Fuel Wood / Kerosene)				
Fan				
Television / Tape recorder				
Two wheelers				
Utensils				
i) Earthen ware				
ii) Aluminium				
iii) Brass				
iv) Plastic				
v) Ever Silver				
Total				

G) Income (Last Year)

Source	Annual income	Increase in Income through Govt. Schemes
a) Crops		
i) Paddy		
ii) Sugarcane		
iii) Cotton		
iv) Banana		
v) Other crops		
b) Livestock		
c) Trees		
d) Salary (govt. /private)		
e) Wages (Private / Govt Schemes)		
f) Interest / Rent		

g) Other Incomes		
Total		

H) Investment

Particulars	Value
a) Land	
b) Livestock	
c) Agricultural Implements	
d) Elec. Motor/oil engines / Tube wells	
e) Banks	
f) Other Investments	
Total	

I) Family Expenditure

Details	Monthly Exp.	Annual Exp.
a) Food		
b) Clothing		
c) Education		
d) Medical		
e) Transport		
f) Agricultural		
g) Other Exp.		
Total		

J) Debt Information

Reason	Year	Source	Rate of Interest	Loan Amount	Balance
a) Land Purchase					
b) House Repair					
c) Social Ceremonies					
e) Dowry					

f) Repayment of Loan					
f) Repayment of Loan					
f) Family Expenditure					
g) Other Loans					
Total					

COMMON PROPERTY RESOURCES

Community Hall

Positive Externalities of the Community Hall

1. No. of Family Functions Performed in the CH during the last Five Years YES / No
2. Whether employed in construction of Community Hall? YES / NO
3. Use of Community Hall for storing food grains / drying food grains YES / NO
4. Use of Community Hall for taking Rest / Entertainment YES / NO
5. Use of Community Hall at the time of Natural Calamities YES / NO
6. Political Discussions / Meetings held in the Community Hall and Learned Politics YES / NO
7. Learned Political Developments and Changes in Social Status YES / NO
8. Received Additional Income YES / NO YES/NO
9. Existence of CH and Value Addition took place to your Assets / Houses YES / NO
10. If Yes, Amount in Rupees Amount in Rs. Amount in Rs.
11. Surrounding areas had a Better Look YES /NO

Negative Externalities of the Community Hall

1. Inadequate facilities in the CH and held Functions Elsewhere YES / NO

- | | |
|---|---------------|
| 2. Use of Loud Speaker Spoils Children Education | YES / NO |
| 3. Inaccessibility to use CH and Damages of Food grains | YES / NO |
| 4. Amount of Food grain Loss due to Inaccessibility to use CH | Amount in Rs. |
| 5. Caste / Religion Discrimination in the use of CH | YES / NO |
| 6. Discussions in CH lead any Disputes and Property Loss | YES / NO |
| 7. Amount of Property Loss due to Discussions and Disputes | Amount in Rs. |
| 8. Realisation of Noise Pollution | YES / NO |
| 9. Dumping of CH's Wastes and Stagnation of Drainage Water | YES / NO |

Group Houses

Positive Externalities of the Group Houses

- | | |
|--|--------------|
| 1. Basis of Allotment of a Group House (Politics, Castes, Poverty and Bribe) | |
| 2. Fee paid to the Government | Amount in Rs |
| 3. Area of the Constructed House | Sq. ft |
| 4. Additional Expenditure for Renovation / Improvement | YES / NO |
| 5. Amount Required for Renovation / Improvement | Amount in Rs |
| 6. Participation in the Construction Activities and Received Employment | YES / NO |
| 7. Living in the Group House and increase in Social Status | YES / NO |
| 8. Trees / Plants Grown nearby the house | YES / NO |
| 9. No. of Trees / Plants | Grown |
| 10. Value of Trees | Amount in Rs |
| 11. Received Wages for the Construction Work | YES / NO |

Negative Externalities of the Group Houses

- | | |
|--|-----------|
| 1. No. of Years of Living | |
| 2. Damages due to Poor Quality of Materials used | YES / NO |
| 3. Expected Expenditure to Set right the Damages | Amount in |

- Rs.
4. Reasons for not using Chulahs (Very small, Broken, Not given, Indoor Air Pollution)
 5. Reasons for not using Toilets (Septic Tank depth is not enough, Habituated to use open, not given, Not completed, Converted for other Purposes)
 6. Treating the Group House as Cattle shed / Storage Houses YES / NO
 7. Pledged your Group House YES / NO
 8. Renting your Group House YES / NO
 9. Number of Bulbs or Plug Points Used

Public Distribution System

Positive Externalities of the Public Distribution system

1. Value of Food Grains and other Goods Purchased during a Month Amount in Rs.
2. Reduction of Expenditure Comparing Open Market Price Amount in Rs
3. Time Saving YES / NO

Negative Externalities of the Public Distribution System

1. Poor Quality of Food grains YES / NO
2. Weighed Properly YES / NO
3. Shops were Opened as per Schedule YES / NO
4. Low Quality of Food grains and Medical Expenses YES / NO
5. Medical Expenses Incurred due to Low Quality Food Grains Amount in Rs.
6. Pledged Ration Card YES / NO
7. Amount for Pledging Ration Card Amount in Rs.
8. Ration Card Gifted to Others YES / NO
9. Availability of needed Goods at needed Time YES / NO

Street Light

Positive Externalities of the Street Light

1. Street Light and Minimisation of Electricity Expenses YES / NO

2. Minimisation of Electricity Expenses by the Provision of Street Lights	Amount in Rs.
3. Stealing Electricity to Perform Family Functions	YES / NO
4. Stealing Electricity to Kill Rat	YES / NO
5. Working Hours Increased during Night Time	YES / NO
6. Nuisance of Animals / Insects reduced	YES / NO
7. Females go around during Night Time	YES / NO
8. Political Discussions held at Night	YES / NO
9. Political Participation and Functioning of Lights Regularly Nearest YourHouse	YES / NO
10. Reduction in Use of Public Places as Toilet	YES / NO

Negative Externalities of the Street Lights

1. Irregular Functions of Street Lights and Property Loss	YES / NO
2. Amount of Loss due to Irregular Functions of Street Lights	Amount in Rs.
3. Accidents took Place at the time of Stealing Electricity	YES / NO
4. Mode of Electricity Theft	YES / NO
5. Lights didn't Burn Bright and work Hours Reduced	YES / NO
6. Medical Expenses due to Insects /Animals at Night	YES / NO
7. Amount of Medical Expenses due to Insects /Animals at Night	Amount in Rs.
8. Disturbances Created by Anti - Social Elements	YES / NO
9. Non -Participation in Politics and Reduction of Benefits	YES / NO
10. Misutilisation of Electricity by the Politicians and Reduction of Personal Benefits	YES / NO
11. Pests attracted by Lights during Winter	YES / NO
12. Amount of Loss due to Pests attracted by Lights	Amount in Rs.

Public Library

Positive Externalities of the Public Library

1. Reading News Papers in the Library	YES / NO
2. Reading General Books / School Books in the Library	YES / NO
3. Existence of Library and Opportunities for	YES / NO

Employment and Income

- | | |
|--|---------------|
| 4. Amount Gained due to the Existence of Library | Amount in Rs. |
| 5. Learning National and International events / Introduction of New Schemes | YES / NO |
| 6. Details of Learning National and International events / Introduction of New Schemes | Amount in Rs. |
| 7. Disseminating the Learned Information to the Illiterates | YES / NO |
| 8. Awareness of Preserving the Environment and Avoiding Losses | YES / NO |
| 9. Understanding the Political Activities and Learned the Human Rights | YES / NO |
| 10. Number of Years as a Member | |

Negative Externalities of the Public Library

- | | |
|--|---------------|
| 1. Inadequate News Papers and Books in the Library and Monetary Loss | YES / No |
| 2. Amount of Loss due to Inadequate News Papers and Books | Amount in Rs. |
| 3. Not Opening as per Schedule and Loss if any | |
| 4. Reasons for the Females not visiting the Library | |

Overhead Tanks

Positive Externalities of OverHead Tanks

- | | |
|---|---------------|
| 1. Collecting Drinking Water Daily | YES / NO |
| 2. Supply of Drinking Water | No. of Hours |
| 3. Required Water for your Family | |
| 4. Use of Water for Cattle Population | YES / NO |
| 5. Use of Water for taking Bath / Animal Bath | YES / NO |
| 6. Having Individual Household Water Connection | YES / NO |
| 7. Expenses for Water Connection | Amount in Rs. |
| 8. Political Participation and Privileges enjoyed | YES / NO |

Negative Externalities of OverHead Tanks

- | | |
|---|----------|
| 1. Not Cleaning Tanks periodically and Water borne Diseases | YES / NO |
|---|----------|

2. Name of the Disease occurred due to Non Cleaning of Tanks	
3. Occurrence of Medical Expenses	
4. Amount of Medical Expenses	Amount in Rs.
5. Stagnation of Drainage Water and the Negative Effects	YES / NO
6. Illegal use of Motors by others and Reduction of Water	YES / NO
7. Repair of Motors / Hand pumps occurred during last year	YES / NO
8. Occurrence of Repair of Motors / Hand pumps during last year	No of Times

Noon Meal Centre

Positive Externalities of the Noon Meal Centre

1. Construction of Noon Meal Centres and Received Employment	YES / NO
2. Received Permanent / Temporary Employment	YES / NO
3. Reduction of Food Expenses due to the free Noon Meal	YES / NO
Amount of Reduction of Food Expenses due to the free Noon Meal	Amount in Rs.
4. Discrimination of your Kids by other Community Children	YES / NO
5. Sending Children to Schools only for Food	YES / NO
6. OAP's / and other Neglected People had Food	YES / NO
7. Scheme is favourable to get Votes by the Politicians	YES / NO
8. Use of Street and Agricultural Wastes as Fuel Wood makes Environment Clean	YES / NO

Negative Externalities of Noon Meal Centre

1. Occurrence of Diseases due to Improper Maintenance of Kitchen and Dining Hall	YES / NO
2 Amount of Medical Expenses due to Improper Maintenance of Kitchen and Dining Hall	Amount in Rs.
3 Serving Food as per the Schedule and Quantity	YES / NO
4 Employing School Children in the Kitchen	YES / NO

5 Functioning of Noon Meal Centre and Realising Air Pollution	YES / NO
6 Not Managing Kitchen Wastes and Loss if any	YES / NO
7 Amount of Loss for Not Managing Kitchen Wastes	Amount in Rs.
8 Cutting of your Trees and Fences for Firewood	YES / NO

Primary Health Centre (PHC)

Positive Externalities of Primary Health Centre

1. Construction of PHC and Received Employment	YES / NO
2. No. of Times Treatment received from PHC	No. Of Times
3. Getting Treatment in PHC and Reduction of Expenditure	YES / No
4. Amount of Expenditure Reduced by Getting Treatment in PHC	Amount in Rs.
5. Minimization of Transport Cost and Time	YES / NO
6. Received Treatment at the Time of Emergency	YES / NO
7. Availability of the Required Medicine	YES / NO
8. Learned Contagious Diseases and Benefited from the Immunization Programme	YES / NO
9. Received Contraceptives from PHC at free of Cost	YES / NO

Negative Externalities of Primary Health Centre

1. Getting Treatment in the Private Hospitals and Expenses	YES / NO
2. Cleanliness of PHC	YES / NO
3. PHC cleaned everyday	YES / NO
4. Using Phenol and other Germs Free Chemicals	YES / NO
5. Syringes Cleaned in Hot water	YES / NO
6. Unhygienic Condition Prevails	YES / NO
7. Money Paid for Getting Treatment	YES / NO

Public Toilet

Positive Externalities of Public Toilet

1. Minimisation of Expenditure for Constructing Own Toilet	YES / NO
2. Constructing Toilet and Received Employment	YES / NO

3. Income from the employment	Amount in Rs.
4. Using Public Toilet and Minimisation of Time	YES / NO
5. Provision of Adequate Water Facilities	YES / NO
6. Construction of Toilet and Creation of Hygienic Condition	YES / NO
7. Number of Family Members Used Toilet	Number of Persons

Negative Externalities of Public Toilet

1. Neat and clean	YES / NO
2. Uncleanliness and diseases	YES / NO
3. Fee paid for the use of Toilet	Amount in Rs.
4. Users did not flush the Toilet	YES / NO
5. Appointed a Regular Person to Clean	YES / NO
6. Regularly using the Toilet	YES / NO

Public School

Positive Externalities of Public School

1. Admitted Children in the Public School	YES / NO
2. Minimisation of Expenditure and Admission in the Local School	YES / NO
3. Amount of Expenditure Minimised Fee	in Rs.
4. Reached to Higher Education after Studying in this School	YES / NO
5. The Level of Higher Education Reached after Studying in this School	
6. Quality of Teaching in the Local School	YES / NO
7. Provision of Computer facilities	YES / NO
8. Availing Education in the Local School and Employment received from the Govt./ Private	YES / NO
9. The Nature of Employment Received	Govt. / Private
10. Selling Eatables in the School Campus	YES / NO
11. Uniforms and Chappals received at Free of Cost	YES / NO
12. Worth of Uniform and Chappal received at Free of Cost	Amount in Rs.
13. Realizing that the Reduction of Expenditure	YES / NO
14. Amount of Expenditure Reduced	Amount in Rs.

15. Untouchability Prevails in the School Campus	YES / NO
16. Education and Changes in Culture	YES / NO
17. Reduction of Social Inequality	YES / NO
18. Participated and benefited in NCC / NSS	YES / NO
19. Opportunity to Learn Politics and increase in Social Status	YES / NO
20. Awareness of Diseases and Natural Calamities among Children	YES / NO
21. Good Ventilation Facilities in the School Rooms	YES / NO
22. Availability of School Toilets	YES / NO

Negative Externalities of Public School

1. Could not control the Students and thereby Quality Reduction	YES / NO
2. Good Manners and Moral Behaviors reduced	YES / NO
3. Learning in Tamil Medium and realising as Hurdle for Higher Education	YES / NO
4. Shops functioning Adjacent to the Schools and Lavish Expenditure	YES / NO
5. If they admit, the Moral behavior and Good Manners will not grow.	YES / NO
6. Admitting in Local School and Visiting houses frequently during Class Hours	YES / NO
7. Non provision of English Medium in Govt. Schools and Admission in Private Schools	YES / NO
8. Expenses in Private Schools	Amount in Rs.
9. Distributed low Quality of Uniforms and Chappals	YES / NO
10. Living Nearest to the School and Realising Noise Pollution	YES / NO
11. Dumping Wastes nearest to the Schools and Pollution	YES / NO

Water Harvesting Structure

Positive Externalities of Water Harvesting Structure

1. Storing Water in the Open Tank and Percolation of Water to the Wells	YES / NO
---	----------

2. Existence of Open Water Tanks, Irrigation and thereby Economic Development	YES / NO
3. No. of Times taking Bath	No. of Times
4. All Members in the Family take Bath	YES / NO
5. Number of Months taking Bath Months	No. of Times
6. No. of times Your Cattle Drink Water	No. of Times
7. No. of times Your Cattle take Bath in a Week	No. of Times
8. No. of times Your Cattle take Bath in a Month Times	No. of Times
9. Washing Clothes in the Tanks	YES / NO
10. Taking Bath in the Tank and free from any Disease	YES / NO
11. Existence of Tank Nearest your House and Enjoying Good Breeze	YES / NO
12. Rearing of Fish in the Tank and Cleanliness	YES / NO
13. Use of Soil Sediments of the Tank / Lake as Manure	YES / NO
14. During Summer, use of Lake Lands for Cultivating Short Term Crops	YES / NO
15. Using Open Water Tanks for Soaking of Coconut Leaves	Yes/NO

Negative Externalities of Water Harvesting Structure

1. Inadequate Drainage Facilities and Washing off Fertilizer and Pesticides during Flood	YES / NO
2. Due to the Existence of Lands on the Tail End Areas and thereby Inadequate Irrigation and Yield	YES / NO
3. Use of Detergent Soaps for Washing Clothes, Skin Diseases and Expenses	YES / NO
4. Expenses incurred due to the Use of Detergents for Washing clothes and Skin Diseases	Amount in Rs.
5. Washing clothes in the Polluted Water and Skin Diseases	YES / NO
6. Washing off Animals in the Open Tank, Diseases and Expenses	YES / NO

7. Amount of Expenses due to Washing off Animals in the Open Tank and Disease	Amount in Rs.
8. Alternatives during Summer due to Scarcity and thereby Disease and Medical Expenditure	YES / NO
9. Expenditure Incurred due to Water Scarcity and Diseases	YES / NO
10. Washing off Animals and thereby Air Pollution	YES / NO
11. Problems during Non-Rainy days / at the time of Water Scarcity to take Bath	YES / NO
12. Alternatives during Non-Rainy days / at the time of Water Scarcity to take Bath	YES / NO
13. Using Open Tank by the Village People and Pollution	YES / NO
14. Water Pollution and Its Effects on your Health	YES / NO

Roads

Positive Externalities of Roads

1. Increase in Employment and Income	YES / NO
2. Reduction of Transport Cost	YES / NO
3. Amount of Transport Expenditure Reduced	Amount in Rs.
4. Due to Provision of Roads and increase in Consumption of Basic Goods	YES / NO
5. Economising Fuel due to the Provision of Shortest Route	YES / NO
6. Using Roads as Thrashing Floor and Minimising Expenditure	YES / NO
7. Using Roads as Thrashing Floor and Amount of Expenditure Minimised	Amount in Rs.
8. Comfortable for going School and for Carrying the Produced Goods	YES / NO
9. Smooth Riding of Vehicles	YES / NO
10. During Harvest Season Road Comforts for Thrashing grains	YES / NO
11. Children using as Play Ground	YES / NO
12. Emerging as Contractor and Laying of Roads	YES / NO
13. Avoidance of Water Stagnation during Rainy Days	YES / NO
14. Good Roads and Reduction of Air Pollution	YES / NO
15. Planting of Trees at the Road Sides and Create Good Environment	YES / NO

Negative Externalities of Roads

1. Emerging as Contractor due to Political influence and forced to Give Bribes YES / NO
2. Amount of Bribe offered due to Political influence in Rs. Amount
3. Emerging Politically influenced Person as Contractor and Laying off Low Quality Roads YES / NO
4. Used Roads as Thrashing Floor leads to Accidents and Medical Expenses YES / NO
5. Using Roads as Thrashing Floor leads to Accidents and Amount of Medical Expenses Amount in Rs.
6. Provision of Good Concrete/ Bitumen Roads and thereby Rash driving- Losses of Human beings & Vehicle YES / NO
7. Amount of Losses Amount in Rs.
8. Using Roads as Thrashing Floor and Realising as Disturbance YES / NO
9. Transport Activities held up due to Others YES / NO
10. Construction of Roads and Offered Bribe YES / NO
11. Poor Quality Roads, Stagnation of Water and Create Bad Environment YES / NO
12. Increase in Traffic, Realising Air and Noise Pollution YES / NO

Public Television

Positive Externalities of Public Television

1. Opportunity to Learn Employment / Venture Industrial Activities YES / NO
2. Avoiding Economic Loss by way of Learning Weather Report and Warnings YES / NO
3. Awareness about theft Incidents and Safeguarding Money /Assets YES / NO
4. Watching T.V. and Changes in Culture YES / NO
5. Watching T.V. in a Common Hall and Realising Fraternity YES / NO
6. Awareness about World Affairs YES / NO
7. Watching Educational, Employment Opportunities and Enjoying Benefits YES / NO

- | | |
|--|---------------|
| 8. Amount of Benefits Enjoyed | Amount in Rs. |
| 9. Watching Music, Cinema and Realising Mental Peace | YES / NO |
| 10. Learning Political Developments and Creation of Eagerness in Participation | YES / NO |
| 11. Watching Environmental Awareness Programmes and Realising Importance | YES / NO |

Negative Externalities of Public Television

- | | |
|---|---------------|
| 1. Inducing Caste Feelings, Social Disharmony and thereby Economic Losses | YES / NO |
| 2. Amount of Economic Loss | Amount in Rs. |
| 3. Not Allowing to see Interested Programs and thereby Disputes / Damages of T.V. | YES / NO |
| 4. Reduction of Eyesight due to Watching T.V. Continuously | YES / NO |
| 5. Routine Works get disturbed due to Addictness to watch T.V. | YES / NO |
| 6. Watching Regional Political Developments and Creating Disturbance | YES / NO |
| 7. Noise Pollution and Creation of Mental Disturbance | YES / NO |
| 8. Inducing Religious, Communal Affairs and Damaging Public Property | YES / NO |

Culverts and Small Bridges

Positive Externalities of Culverts / Small Bridges

- | | |
|--|----------|
| 1. Constructing Small Bridges, Culverts and Received Employment | YES / NO |
| 2. Using Bridges Daily for Transport | YES / NO |
| 3. Using Bridges as Thrashing Floor / Drying Food Grains | YES / NO |
| 4. Comfortable for School going Children | YES / NO |
| 5. Construction of Culverts and Creation of Irrigation / Drainage Facilities | YES / NO |
| 6. Reduction of Time and Expenses for Collecting / Gathering Water | YES / NO |

Negative Externalities of Culverts / Small Bridges

- | | |
|---|----------|
| 1. Using Bridges for Thrashing Floor / Drying Food Grains and Disturbances for Transport Activities | YES / NO |
| 2. Occurrence of Accidents | YES / NO |
| 3. While Others Storing Water in the Culverts and Losses for your Crops | YES / NO |
| 4. While you are Storing Water in the Culverts, Issues Raised by Tail end Area Farmers | YES / NO |

Veterinary Hospital

Positive Externalities of Veterinary Hospital

- | | |
|--|----------|
| 1. Received Treatment for your Cattle | YES / NO |
| 2. Availed Benefits from the Artificial Insemination Programme | YES / NO |

Negative Externalities of Veterinary Hospital

- | | |
|--|---------------|
| 1. Not Availing Benefits due to Irregular Functioning and Non-Availability of Medicine | YES / NO |
| 2. Bribing for Getting Cattle Treatment | YES / NO |
| 3. Amount of Bribe Offered | Amount in Rs. |

Post Office

Positive Externalities of Post Office

- | | |
|--|----------|
| 1. Number of letters posted during last Year | YES / NO |
| 2. Received Personal / Official Letters during Last Year | YES / NO |
| 3. Sent Telegrams during Last Year | YES / NO |

Negative Externalities of Post Office

- | | |
|-----------------------------------|----------|
| 1. Letters not Promptly Delivered | YES / NO |
| 2. Posted Letters Not Delivered | YES / NO |

Common Trees
