MESSAGE

I am extremely pleased to learn that "Krishi Sanskriti" is organizing an **International Conference on "Education, Humanities, Business Management, Engineering, Sciences and Agro-ecology (EHBSA-2019)**.

This conference aims to bring different ideologies under one roof and provide opportunities to exchange ideas face to face, to establish research relations and to build relations for future collaborative work. It is really good that such conferences are held to enhance the spirit of innovation among all the participants of the conference. I am sure the conference will provide an opportunity for the participants to share their knowledge and get updated. We are living in a time where boundaries of knowledge are being advanced at a rapid pace, the conference will help to chart new stream of research for sure. The themes and sub-themes for this conference are indicative of relevant research areas to give the authors ample opportunity to widen

their horizons. Some of the sub-themes include: Education Theory and Practice, Child and Family Education, Electrical and Electronics Engineering, Power Generation – Conventional and Renewable, Algebraic Statistics & Its Applications and many more. Lastly I would like to thank the organizers, conveners and the participants for their untiring zeal in successfully organizing and managing this event. This event wouldn't have been possible without their hard work and perseverance.

(Prof. P.C. Agarwal)

Message of Local Organizing Secretary

It is our great pleasure to welcome you to the International Conference On "Education, Humanities, Business Management Engineering, Sciences, Agro-ecology (EHBSA-2019) to be held at Regional Institute of Education Sachivalaya Marg, Bhubaneswar, Odisha-751022, on 9th March, 2019.

The Conference is an outstanding international forum to present and discuss progress in research, development, standards, and applications of the topics related to the distinguished field. This will also offer high quality technical activities including, invited talk, research sessions, poster sessions.

Attending EHBSA- 2019 means you also will experience an oldest college, a unit of NCERT, named Regional Institute of Education, in a beautiful city of temple, renowned for its international flavour and inspiring diversity. Located on an Eastern part of India, and it is the largest Oriya-speaking city outside of Bhubaneswar - a perfect blend of Orissa charm and Orissa hospitality. One of the smart cities, there's something for everyone here. You'll find a friendly population, world-famous gastronomy , and an atmosphere of celebration.

EHBSA-2019 will be an exceptional conference for sharing the latest academic insights as well as experiencing the unique culture of Montreal.

We thank you for your participation and look forward to seeing you in city of Temple, Bhubaneswar (Odisha).
